For those with a temporary inability to mail/fax, or with international concerns, you may also call or email your intentions (with credit card info) and assure a temporary hold on your registration. Be aware that a hard copy of the "Booking/Reservation Form" and the "Terms and Conditions" with signatures, will still be needed within two weeks before final confirmation is completed.

The Mainland Group is limited to 50 participants. The Local Group is limited to 12. All applications will be accepted on a "first come, first served" basis. Mailed applications will be based on the postmark date. Other methods will record the date/time. Every attempt will be made to assure a fair accounting of the order of receipt. We will keep a waiting list once the trip is full.

Once a "hard copy" of your application is accepted, we will send a receipt of confirmation within 7 business days.

(*the fax is shared with suntints)
